

Ceiling lamp

ASCARI – 680810306

incl. 1x SMD LED, 28W · 1x 3200lm, 3000K

- **Dimmable via switch**
- **Ceiling mounting**
- **Not suitable for external dimmer**
- **IP44**

The modern ASCARI ceiling light has a sophisticated design. Perfectly positioned, the light becomes a real eye-catcher in your living room. The integrated SWITCH dimmer can be used to select three different brightness levels using a conventional light switch. By graduating the light intensity from 100% to 50% and 25%, the light can be adapted to different requirements. Thanks to its IP44 protection rating, it is protected against splashing water and is therefore suitable for damp rooms such as the bathroom. With its round chrome look, the luminaire creates a great contrast and really comes into its own. The luminaire also features modern LED technology, which is characterised by high light quality and energy efficiency. Compared to conventional halogen light sources, up to 80% of energy costs can be saved. LED light sources also have a long service life, generate less heat and protect the environment.

Material construction

Metal · Chrome

Product dimensions

Height: 6cm
Diameter: 30cm
Weight: 1,5kg

Technical data

Light source: SMD – LED (integrated)
Watt: 28W
Lumen: 1x 3200lm
Kelvin: 3000K
Color rendering (CRI): > 80 CRI
Lifetime: 25000H
Switching cycles: 15000x ON/OFF
