

Bugia,
Design by Studio Italia Design

Model Bugia Single

Round, compact forms featuring elegant finishes with a centre that shines like a precious stone. Once lit up, Bugia amazes with the unexpected effect of its light. A surprising and harmonious balance between direct and indirect light, diffused both downward and up toward the ceiling. A rich family of ceiling lights, in *Single*, *Double*, *Triple* and now also *Mega* versions.

Bugia Single	Light source	Structure: Metal	Diffuser: Methacrylate	Code 2700 K	Code 3000 K
